Welcome to the Driver Education experience. Thank you making the decision to let One Way Driving School offer this experience to you. My name is Lonnie Wallace, and I have taught Driver Education in the Delavan, Darien, and Clinton areas since 1989. I am licensed through the Wisconsin Department of Transportation. After school classroom sessions will be taught at Delavan-Darien HS, and evening classes will be taught at the AmericInn in Elkhorn. If you are under the age of 18, you are required by the State of Wisconsin to successfully pass the Classroom and the BTW training course. One Way Driving School will also accept the Online Driver Education class taught through a Wisconsin approved and licensed course. That online class can be substituted for the required classroom needed by students under the age of 18. Good luck and thank you again for allowing Wallace’s One Way the opportunity to serve you.

Helpful Information & Tips

- ✓ If you are under the age of 18, you need to take a classroom, either with One Way or take the Online class option.

Agreement No: 2018

TERMS AND CONDITIONS

- Complete Course** Full course includes 32 hours classroom instruction and 12 hours of Behind-the-Wheel instruction (6 driving hrs / 6 observation hrs) which meets all requirements to qualify for a Wisconsin Driver license. Students who furnish proof of successful classroom completion at a Wisconsin High School, Driving school, or Wisconsin approved Online course within the last 12 months may enroll for just the Behind-the-Wheel training.
- Classroom Course** Classroom requires 30 hours in attendance, completion of all assigned work, and a score of 70% on the Final Exam. Any time missed (including tardiness) in excess of 2 hours must be made up. Make-up can be completed by attending the same session with another group or written assignment at the Instructor's discretion. If student doesn't complete the minimum of 30 hours of classroom or does not pass the Final Exam, they will receive an incomplete and have 260 days after the final session to finish all class requirements or grade will be changed to "Fail". Students receiving a failing grade may re-register, pay the classroom tuition (\$115.00) and restart class from the first session.
- Instruction Permits** Receiving the authorization from the school needed to obtain the Instruction Permit requires the student to turn in a signed enrollment agreement, full payment of both the classroom and Behind-the-Wheel tuition, and successfully pass the Wisconsin Instruction Permit Exam. The student will be scheduled to take the first BTW lesson within 60 days of receiving the Instruction Permit.
- BTW Completion** The student becomes eligible for the Wisconsin Driver License skills test after successfully completing the Behind-the-Wheel instruction. BTW training begins the first day after getting Temporary License with 3 to 6 hrs of Guided Parental Driving practice required. We will begin our driving after those hours are completed. Cancellations, no-shows or excessive appointment changes by the student release the school from any obligation for timely completion of the course. Student has one (1) year to complete the BTW training and Wallace's One Way Driving School will make every effort to finish the student within the first six (6) months after receiving their permit.
- Lesson Cancellations** If a student fails to keep a BTW lesson, they may be charged a \$25 make-up fee that results in a driving schedule change. If a student cannot make a scheduled BTW lesson, they may cancel at least 24 hours in advance. There is no charge for cancellations due to family emergencies providing the student contacts the instructor prior to the start time of the lesson. The Instructor may cancel a BTW lesson due to weather or other extenuating circumstances and students will be notified in a timely manner at no additional charge. BTW lessons will be rescheduled as mutually agreed.
- Payment Plan** Student may deposit \$100 to secure their spot in a classroom with the first payment of \$50 due 1 month after 1st classroom. The remaining fee may be paid in \$50 increments over the Payment Plan period or less, however, full payment of the BTW training fee of \$290 is required prior for a student to obtain a Wisconsin Instruction Permit. Wallace's One Way Driving School is not required to refund any tuition or part of tuition if the school is ready, willing and able to fulfill its part of the agreement.
- Collections** Student and sponsor agree to pay all reasonable costs and fees incurred by the school for collection of any amounts owed by the student to Wallace's One Way Driving School. Returned check amount plus a fee of \$35.00 will be due to the driving school and payable on demand in cash or money order.
- Prohibited Practices** Any cell phone use during class is prohibited. Any activity which may interfere with another student's learning is inappropriate. Student may be dropped from the program (without refund) for any illegal, inappropriate or irresponsible behavior. The school is the sole judge of what is acceptable. Intentional damage to school property or premises will be paid for by the student.
